Kevin Lee:

[11:00:10] Hi Amanda, glad we could jump on this call. I've gone through your initial pre-approval application.

Amanda White:

[11:00:35] Thanks Kevin. I'm really looking to move quickly on that property in Lincoln Park. The address is 2214 N. Sheffield Ave.

Kevin Lee:

[11:01:20] It's a great area. I see you've been at TechFlow Solutions for about 4 years now. Your office is at 100 Riverside Plaza?

Amanda White:

[11:02:00] Yes, I'm a Senior Product Manager there. My direct supervisor is Sarah Miller, if you need to verify employment. Her work phone is (312) 555-8812.

Kevin Lee:

[11:03:15] Great. I noticed on your credit report from TransUnion a small dispute regarding a Macy's card from 2021.

Amanda White:

[11:03:50] Oh, that was a mistake with my old address. I used to live at 1500 Ocean Parkway in Brooklyn, NY (Zip 11230) before I moved to Chicago. The mail never got forwarded.

Kevin Lee:

[11:04:40] Understandable. Now, for the down payment. You indicated \$60,000 is coming from your savings at Ally Bank.

Amanda White:

[11:05:10] Yes, account number 9918273645. I also have about \$15,000 in a Robinhood account (ID: WHI-9921) that I could liquidate if needed.

Kevin Lee:

[11:15:00] We'll stick with the Ally funds for now to keep it simple. I'll need your last two years of W-2s. I see your 2024 income was \$138,000.

Amanda White:

[11:15:45] That's correct. I've already uploaded them to the portal under my maiden name, Amanda Jane Miller, because I only changed it to White last year after getting married.

Kevin Lee:

[11:16:30] Ah, that's an important detail. I'll need a copy of the marriage certificate to bridge that name change for the underwriters.

Amanda White:

[11:17:00] No problem. My husband, David White, is not on the loan, but we file taxes jointly. His SSN is 111-22-3333 if you need it for the tax transcripts.

Kevin Lee:

[11:18:20] I'll note that. Now, regarding your liabilities. You have a monthly car payment of \$450 for a Tesla Model 3?

Amanda White:

[11:19:00] Yes, through Tesla Financial Services. The loan number is TFS-8827-X.

Kevin Lee:

[11:20:30] And a student loan with Nelnet? Balance shows as \$22,400.

Amanda White:

[11:21:15] Exactly. I've been paying that down from my Chase Checking account (ending in 4421).

Kevin Lee:

[11:23:00] Perfect. Please send over your Driver's License (I have the number here as 992-11-883) and the marriage cert by EOD.

Amanda White:

[11:24:00] Will do, Kevin. Talk soon.
